ABOUT THE PRESENTER

DR. PETER COLLINS
CD, MD, MCA, FRCPC

Peter Collins has been the operational forensic psychiatrist with the Criminal Behaviour Analysis Unit of the Ontario Provincial Police, since 1995 and a member of the crisis/hostage negotiation team, of the Toronto Police Service Emergency Task Force, since 1992.

In addition, Peter consults to the Behavioral Analysis Unit of the U.S. Marshal's Service, the Profiling Unit of the Florida Department of Law Enforcement, the Investigative Psychology Unit of the South African Police, and the Behavioural Sciences Section of the Calgary Police Service.

Peter obtained his Masters in Applied Criminology from the University of Ottawa, his Medical Degree from McMaster University and completed his postgraduate medical training in psychiatry and forensic psychiatry at the University of Toronto. Peter is on the board of the Canadian Association of Threat Assessment Professionals and a consulting editor with the Journal of Threat Assessment and Management, published by the American Psychological Association.

Peter is an authority on violent crime and has worked with, and instructed, numerous criminal justice agencies across North America, and internationally, including the FBI, the U.S. Department of Homeland Security, Interpol, and Europol.

TRAINING OVERVIEW

An exploration of the psychology of the paedophile and the types of associated paraphilic activities they can be involved with. Also discussed will be the role of child pornography; grooming behaviour and indicative material collections. [No child abuse imagery will be shown during the lecture].
